Trip

Since I've lived for a long period abroad I had the opportunity to expand both knowledge of the English language and **problem solving skills**.

Dynamic Person

I can easily fit in new teams and working experiences.

Monica Petrichiutto

Web Designer and Front End Developer

I am a communicative and dynamic person. I've gained various working experiences that included contact with clients. For over three years I lived in Ireland, this experience abroad allowed me to improve my language skills leading me to have a **fluent English**.
In the meantime I discovered my passion for the Web Design and for this reason I've embarked on a new path, at first as self-taught, that includes the development of Websites managing the **Front End development** and **Web and Mobile Design**.

Education

IFTS qualification Diploma as Full Stack Designer
From October 2021 to June 2022 Consorzio Friuli Formazione Udine, Italia
800 hours course which included practical and theoretical lessons and internship for the professional figure of **Full Stack Designer**. Main focus on **Web Design UX/UI** and **Front End** development using Html, Css, JavaScript and React. I am therefore able to develop responsive Websites both coding and Design.

Tax assistant
From February 2021 to April 2021 CAF CISL Udine, Italia
160 hours course which included practical and theoretical lessons for the management and compilation of the tax return.

Diploma in commercial services
